In this tutorial, we look at how to download eBooks from EBSCO interfaces such as EBSCOhost and EBSCO Discovery Service on your computer and open them on Thorium Reader. To download eBooks, eBook download functionality must be enabled by your library. In addition, you must have a personal MyEBSCO account.

A Watery World

The Water We Share

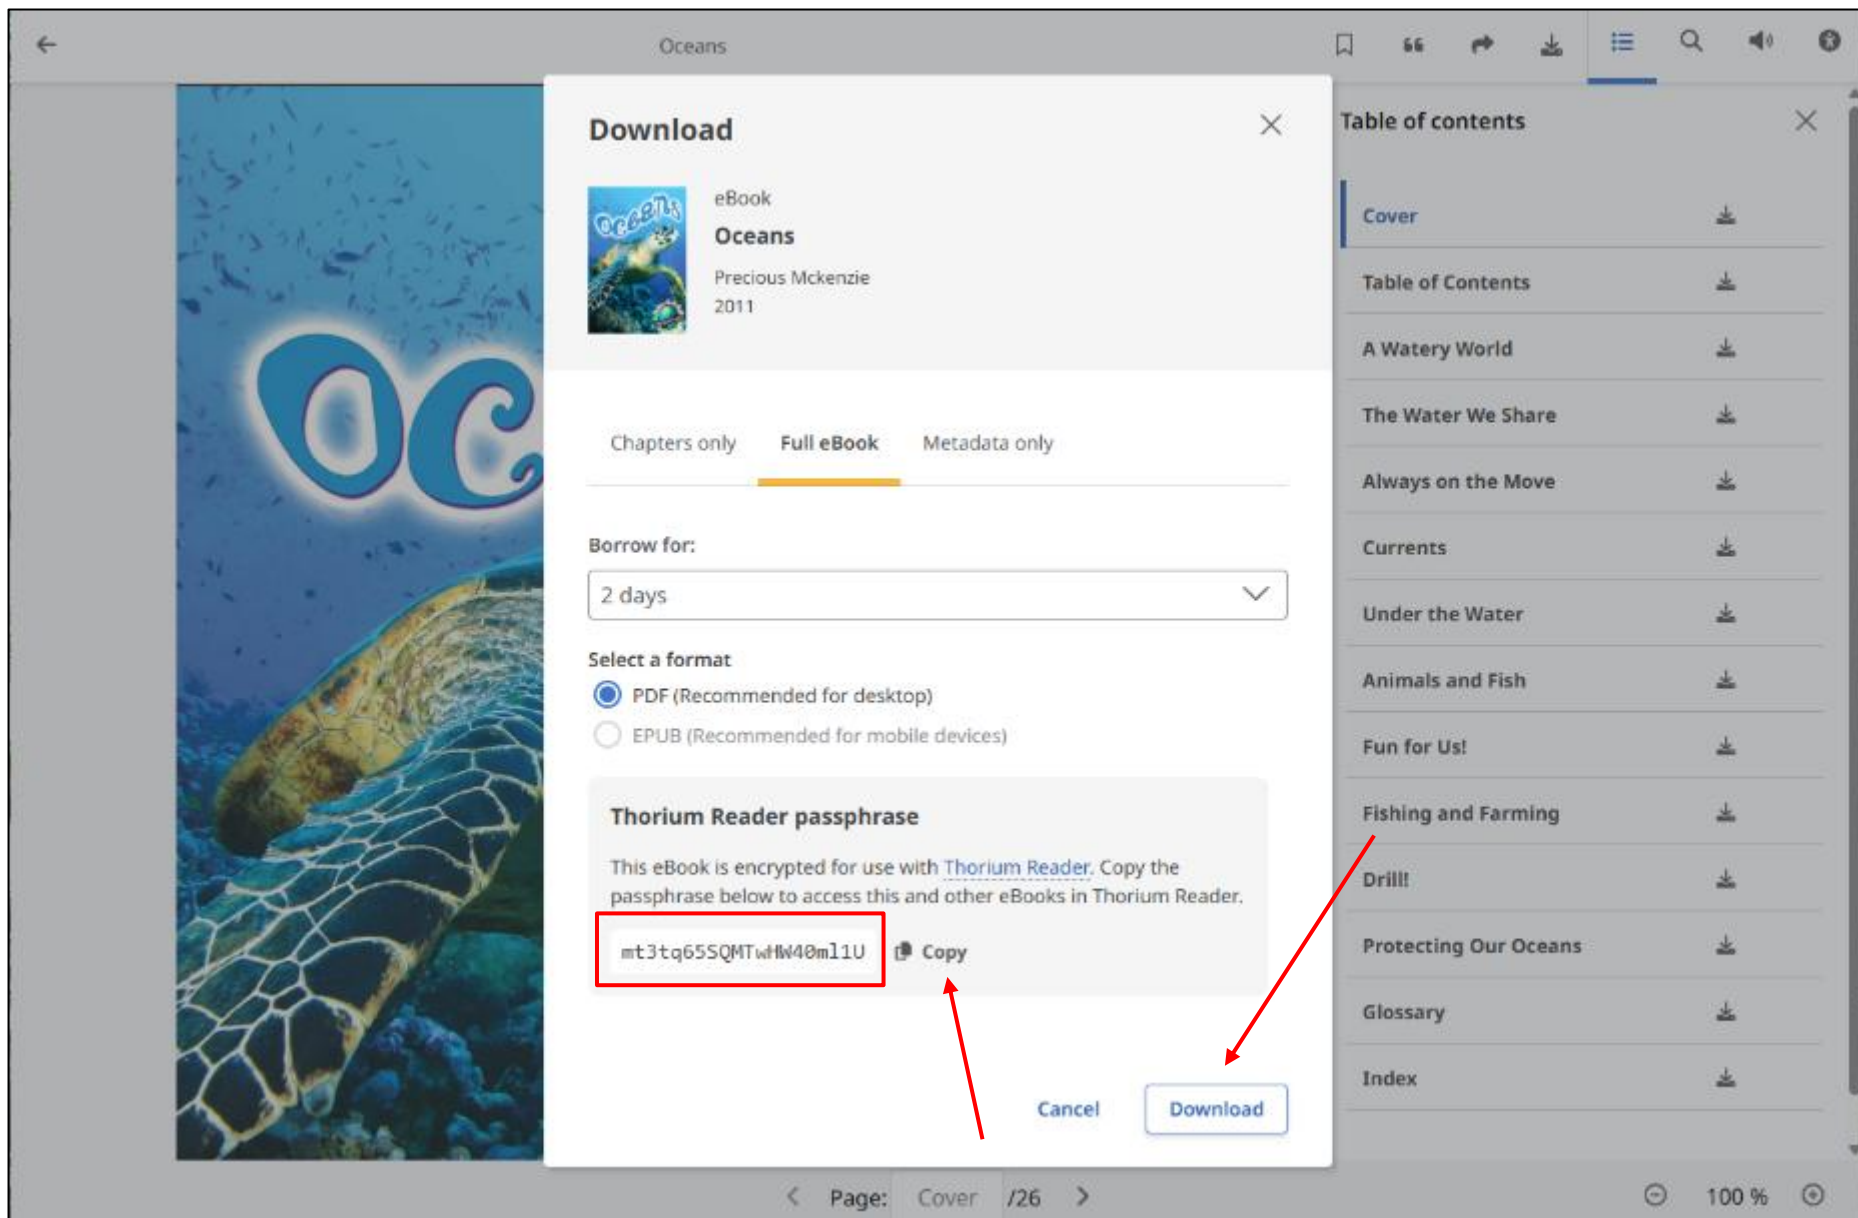

From the details page, click the **Download** button to begin downloading an eBook to your computer.

From the eBook viewer, click the **Download** button in the toolbar to open the download tool. You can also download a chapter using the individual **Download** buttons in the table of contents.

After clicking **Download** on the detail page or the eBook viewer, click **Full eBook** and select the number of days you wish to borrow the eBook. Note that some libraries offer a default duration without the option to choose one. When available, select whether you would like to download the PDF or EPUB format of the eBook.

Click the **Copy** button to copy the Thorium Reader passphrase to your clipboard and then click the **Download** button. The passphrase can be used to access the title on up to 6 devices simultaneously.

- Animals and Fish
- Fun for Us!
- Fishing and Farming
- Drill!
- Protecting Our Oceans
- Glossary
- Index

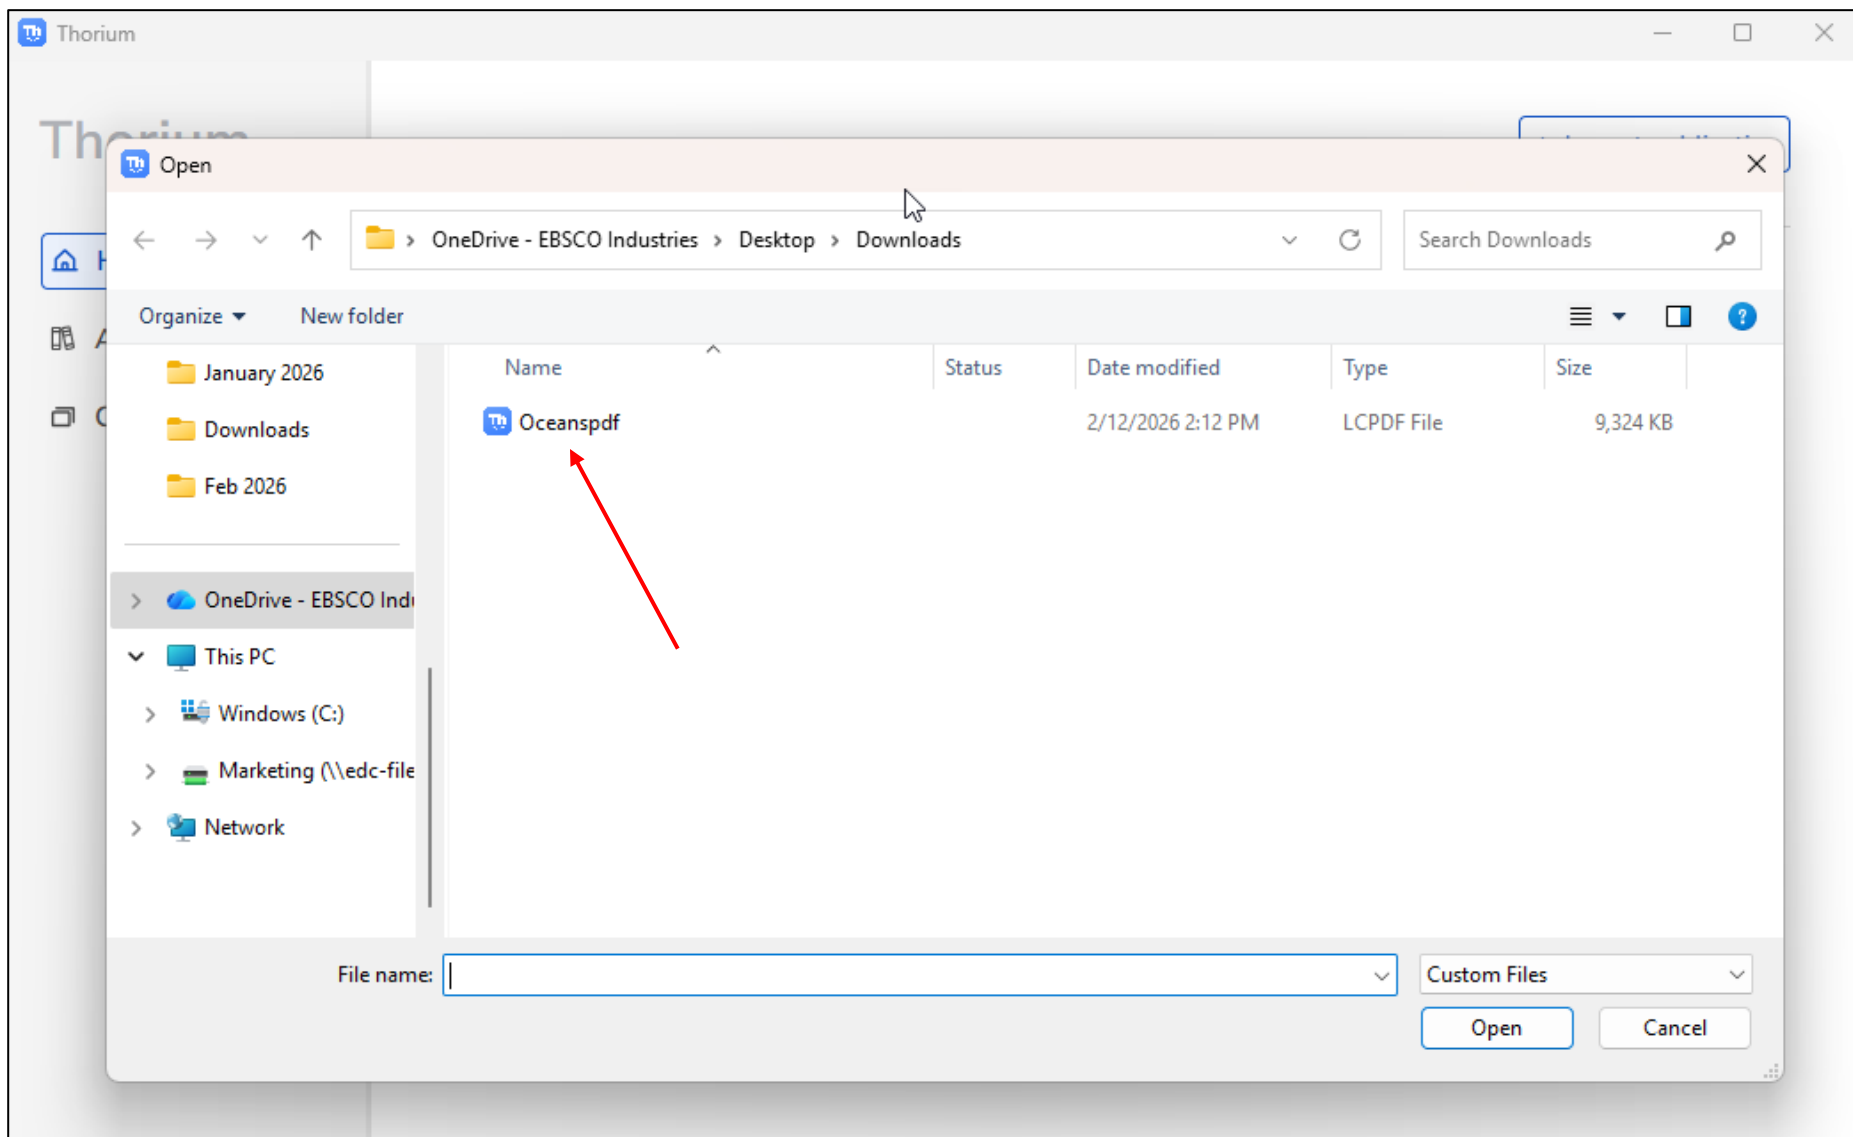

The eBook is saved in your browser's download folder and is added to the **Holds & Checkouts** area of the dashboard. Next, open the Thorium Reader application on your device.

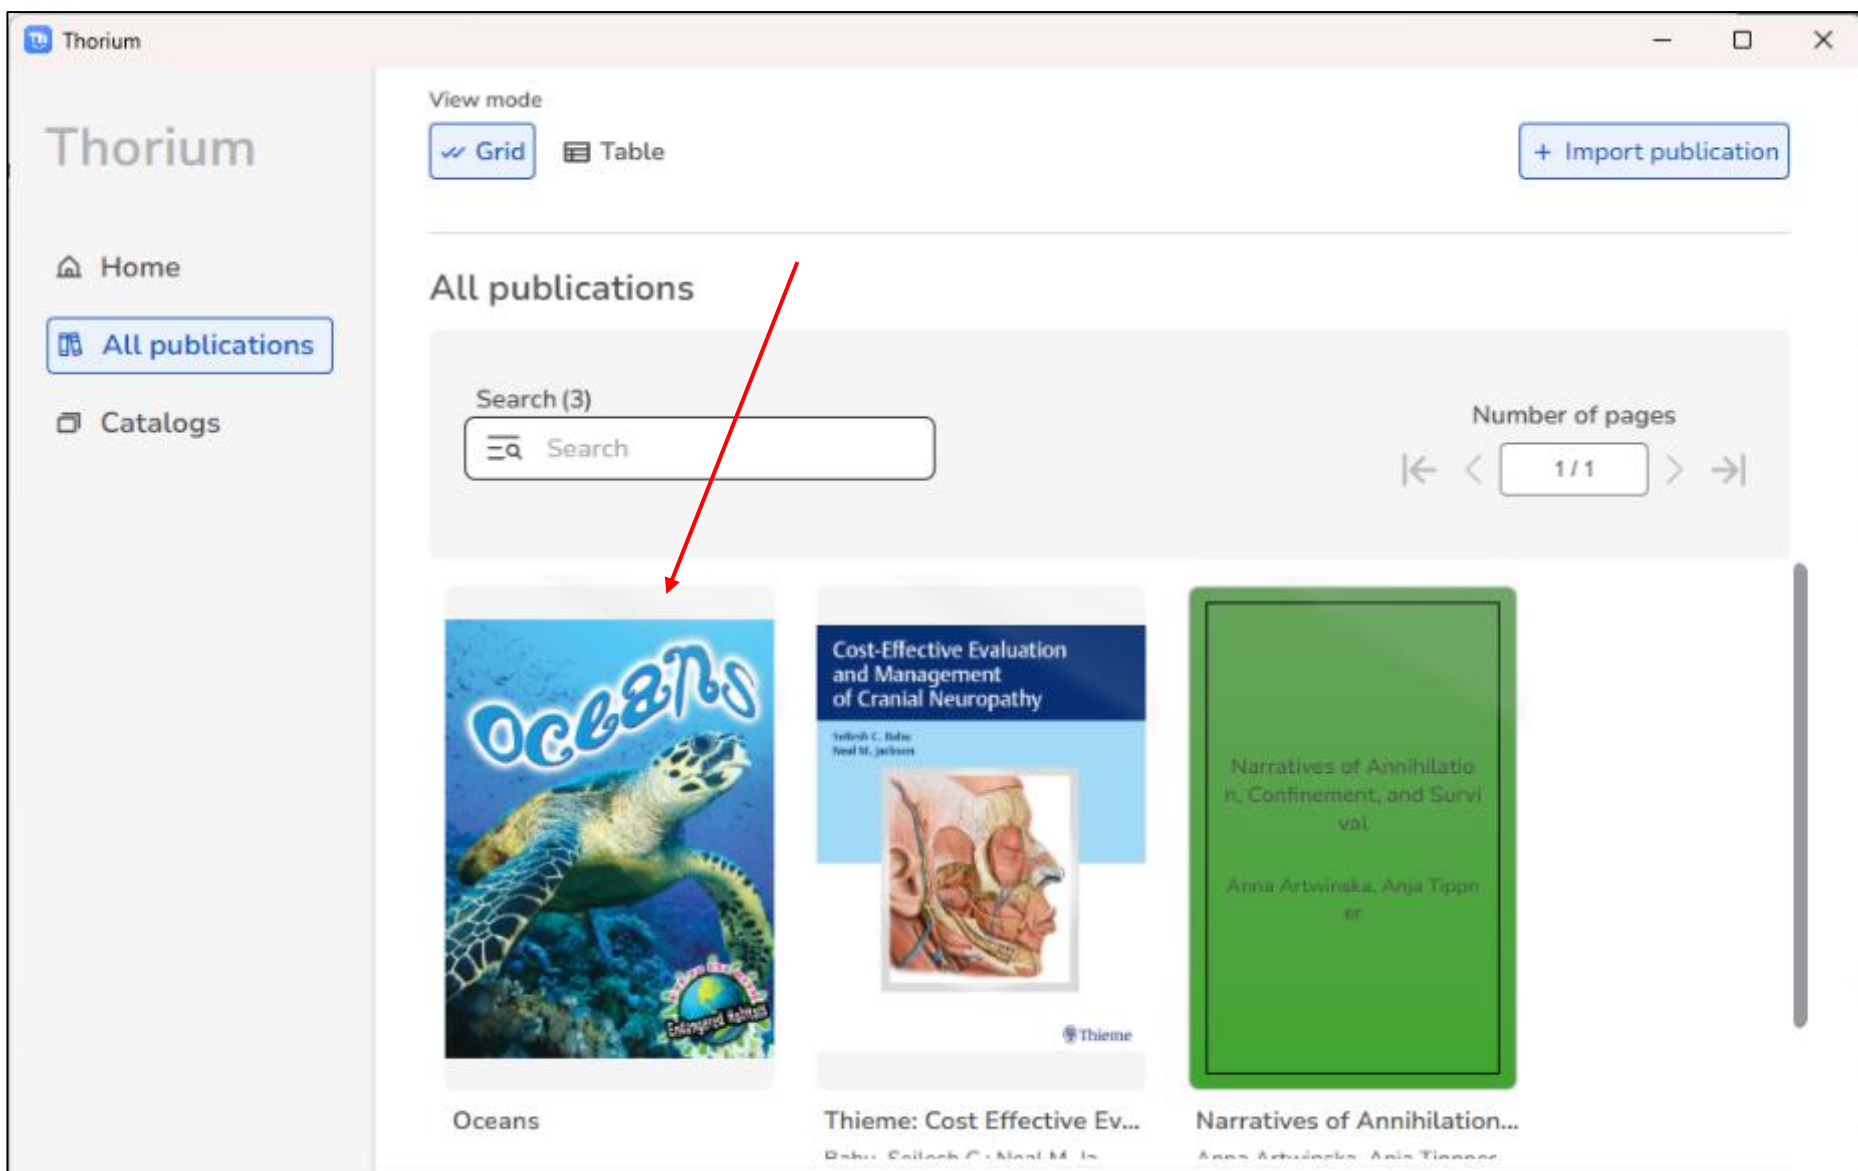

Note that if you would like to download the eBook to another device but forgot your passphrase, you can search for the eBook again and click **Generate new passphrase** to create a new one.

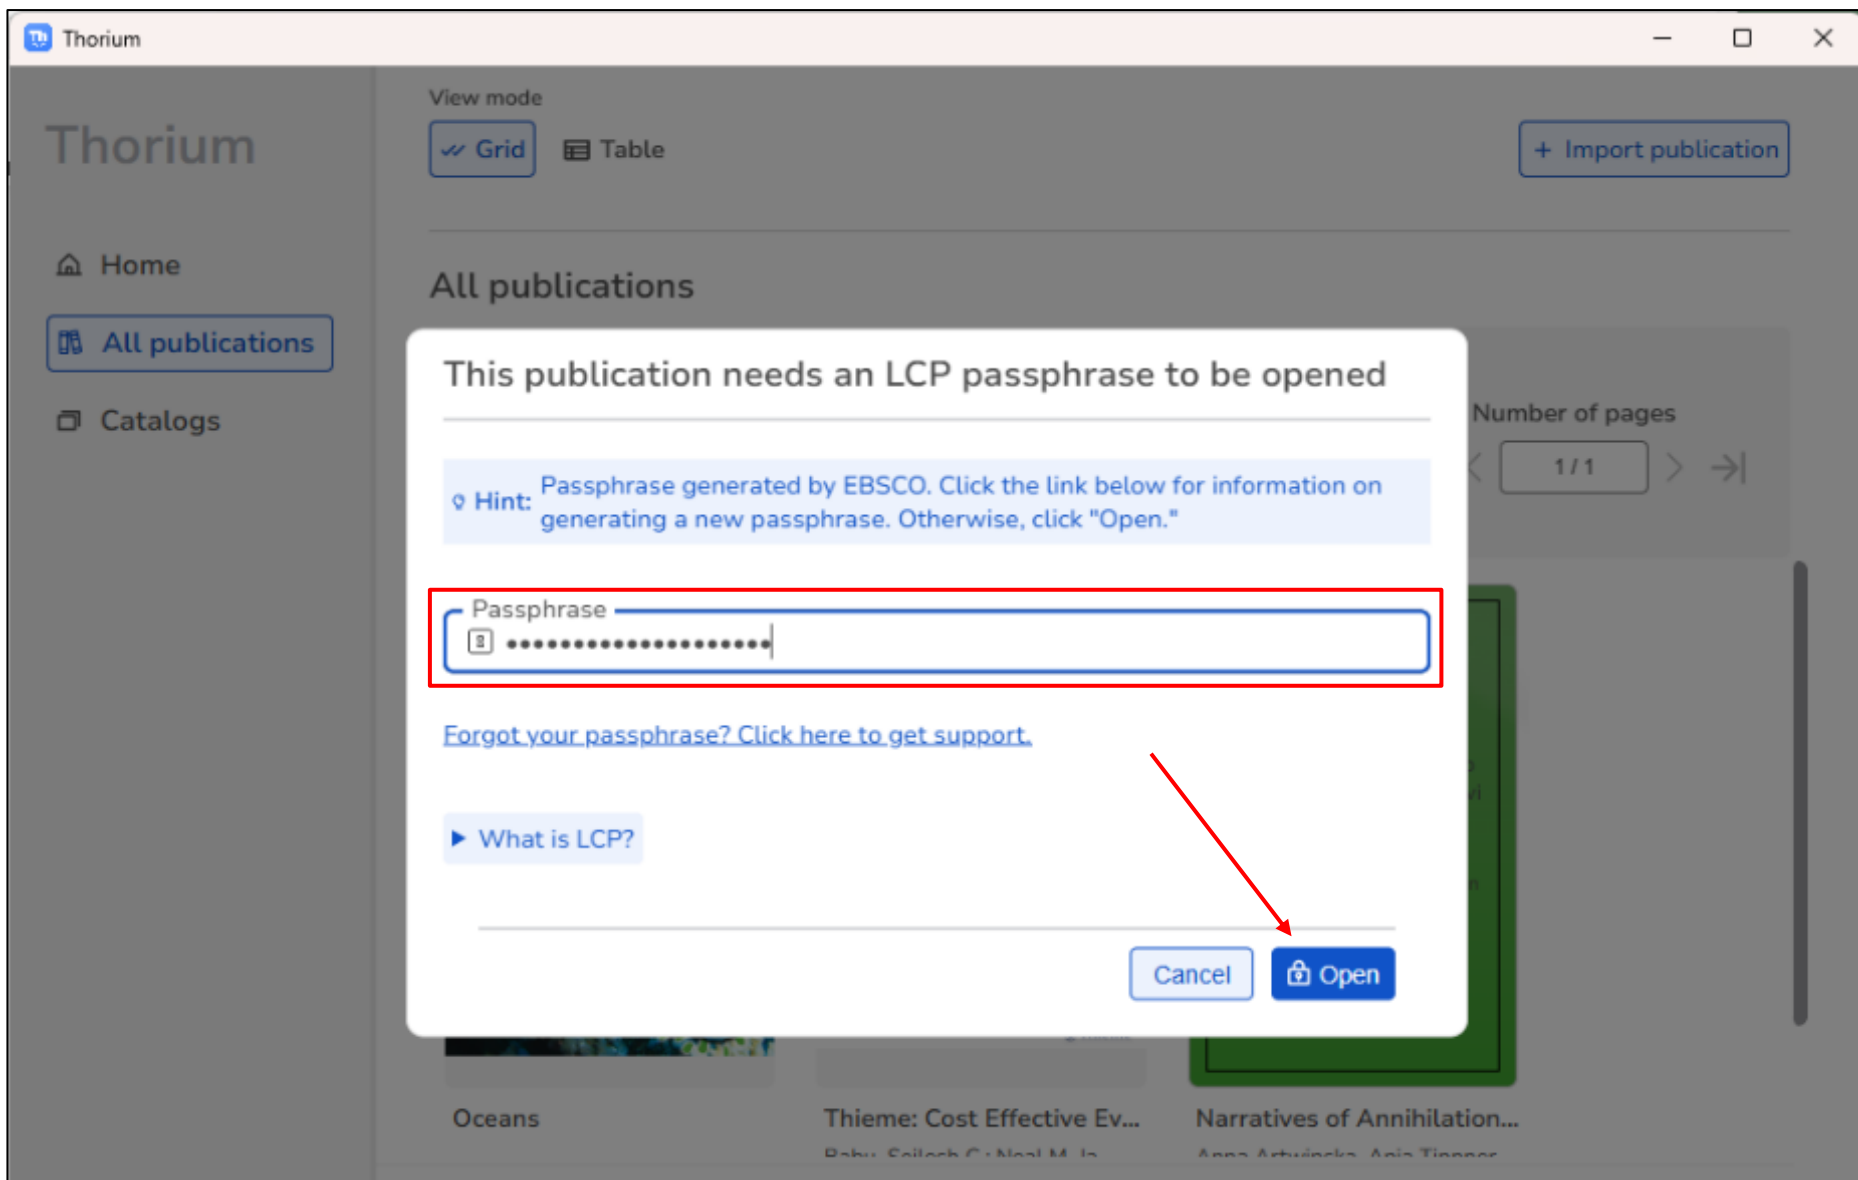

In Thorium, click the **Import publication** button to import the eBook file into the application.

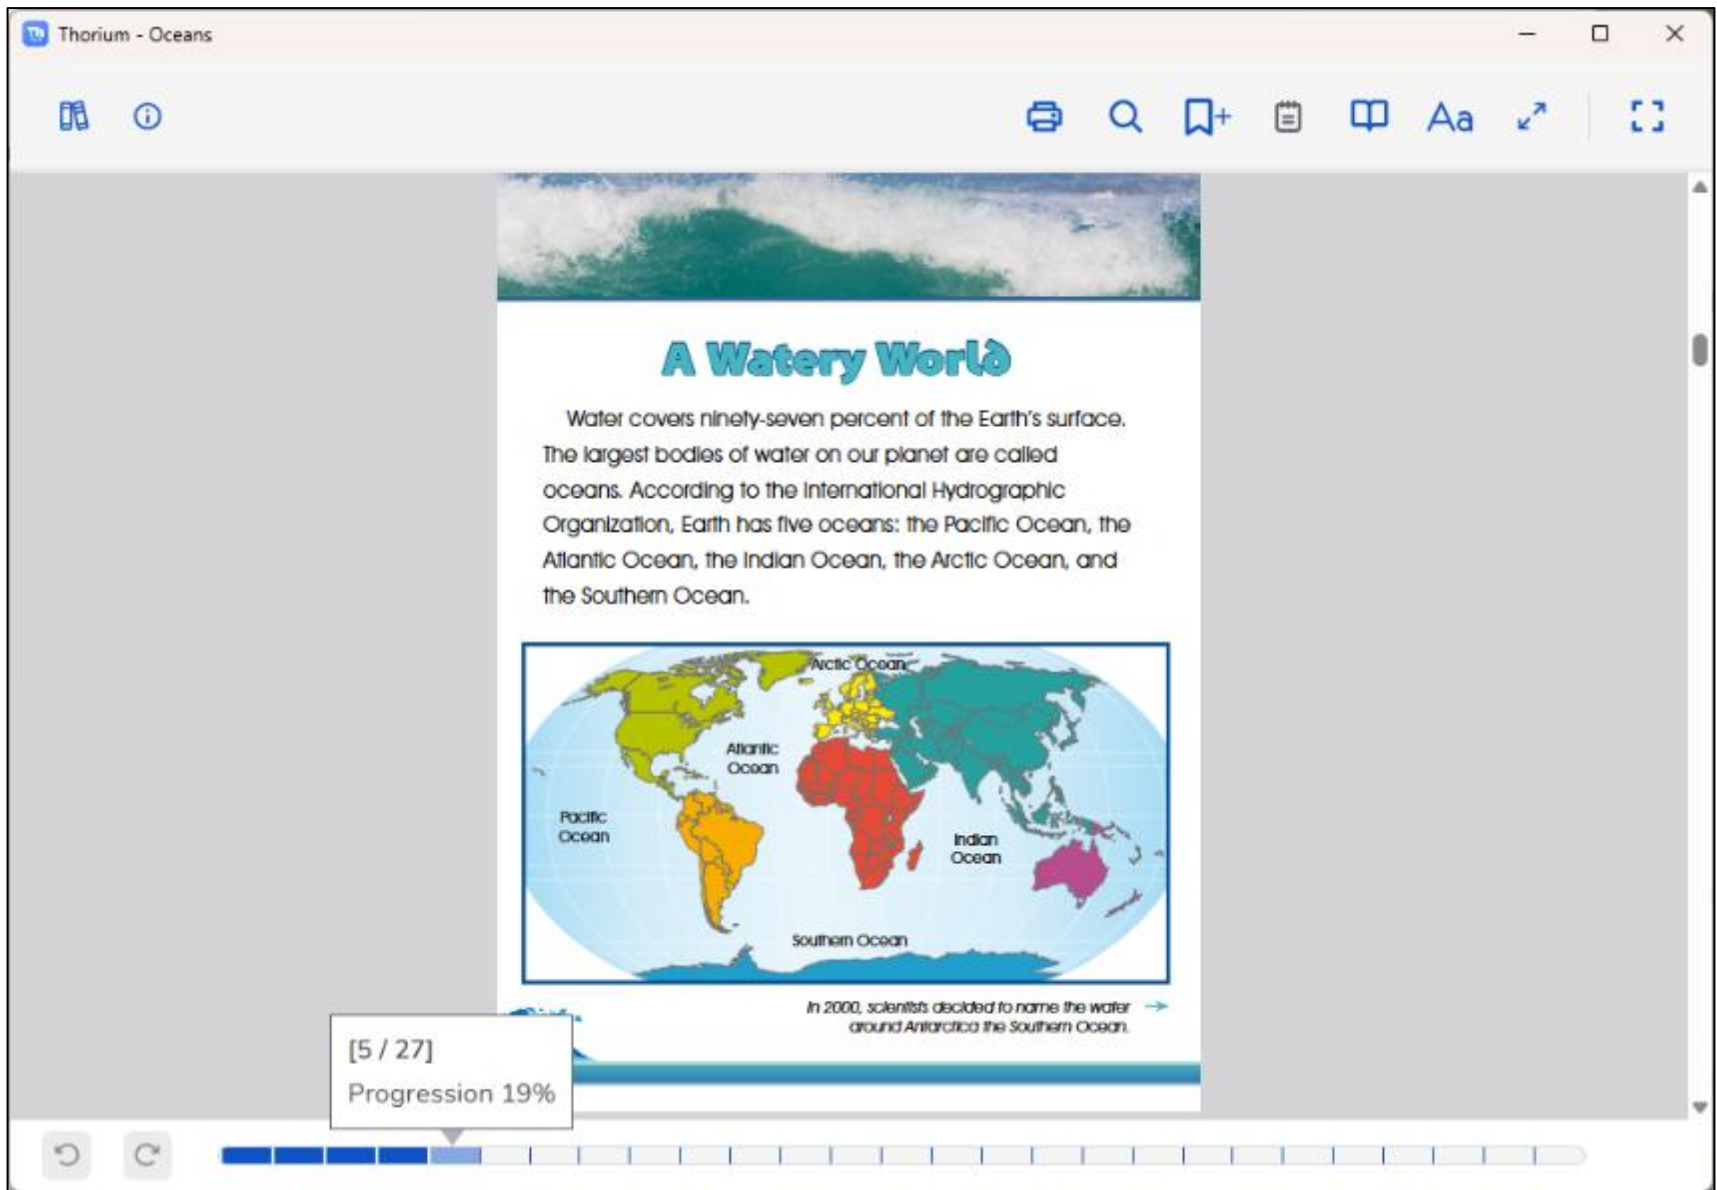

Navigate to the download location on your device, select the eBook file and click **Open**.

The eBook is displayed in your library in the app. Click on the cover to open it.

The first time you open an eBook in Thorium, you must enter the passphrase you copied to access it. Enter it in the field and click **Open**. Note that Thorium reader will remember all your previous passphrases on the device on which the eBook is downloaded, so you will not need to reenter your passphrase each time you open the reader app on the same device.

Depending on the eBook format downloaded, navigate the eBook using the scroll bar on the right for PDF eBooks or the forward and back buttons for EPUB eBooks. You can also use the progress bar at the bottom of the app to navigate the eBook. To learn more about the features of Thorium Reader, please see the Thorium user guide on Thorium's website.

Introduction: The

Some eBooks offered by your institution may be available without DRM (Digital Rights Management) restrictions. These eBooks do not require you to sign into MyEBSCO to download them. In addition, no passphrase or Thorium Reader is necessary to read them.

The screenshot displays the EBSCO eBooks interface. On the left is a sidebar with navigation links: 'My dashboard', 'Projects', 'Saved', 'Recent activity', 'Holds & checkouts', 'Alerts', 'Research tools', 'New search', 'Concept map', and 'Help'. The top right corner shows the 'MyEBSCO' logo. A search bar at the top center contains the text 'Search articles, books, journals & more'. The main content area shows search results for the eBook 'The Philosophical Animal : On Zoopoetics and Interspecies Cosmopolitanism' by Eduardo Mendieta, published in 2024. A 'Download' modal window is open in the center, featuring the book's cover and title. The modal has three tabs: 'Chapters only', 'Full eBook' (which is selected and highlighted with an orange bar), and 'Metadata only'. Under the 'Full eBook' tab, there is a 'Select a format' section with two radio button options: 'PDF (Recommended for desktop)' and 'EPUB (Recommended for mobile devices)'. A red arrow points from the 'Full eBook' tab to the 'PDF' option. At the bottom of the modal are 'Cancel' and 'Download' buttons. The background shows a 'Table of contents' section with links for 'Cover', 'Contents', and 'Preface', each with a download icon.
